Forastiere, Laura

Silliman College, ND

**Shimizu, Tatsuhiko**

## **Reason**

The student has done excellent work in the course.

## **Comments**

The student has done an amazing work in my course. This is a course for master and PhD students. Tatsuhiko was the only college student and yet he has been the one with the highest grades in all assignments. Tatsuhiko came to every office hours and was very interested in all the topics. He always asked very interesting and not straightforward questions. I am sure he will have a great career.
